X1A Dear Colonel [redacted]

I should have dropped you a note sooner than this but I had to go out of town for several days immediately after our last telephone conversation.

In checking Mr. Dulles' calendar I find that he will be out of the city on Tuesday, October 25, and again on Friday, October 28. During the balance of this week he is already rather heavily scheduled with appointments and in addition, I know he will be thoroughly engrossed in making final preparations for an address he is to deliver at Mercer University in Macon, Georgia on the 28th. In view of this schedule I cannot therefore recommend very strongly that you come to Washington with the idea in mind that you could see much of Mr. Dulles during that week.

With reference to your friend, I can only say that our people have not yet returned from the trip on which they were to contact him. They had a number of matters to pursue and one of them was to have a session with your friend. However, we do not expect our team to return for another two or three weeks and may not know the results of this meeting prior to that time.

Sincerely,

[redacted] 25X1A

Assistant to the Director
